DELIVERED

REF: STATE 57239

Classified By: E/P Chief Ike Reed for reasons 1.4(b), (c) and (d)

(S) We delivered reftel follow-up questions to Yvonne Ow, Assistant Director of MFA's International Organizations Directorate, on May 2. Ow said she would pass the questions to the relevant agencies and noted that Singapore Customs had already met with the Embassy's ICE officers regarding the seizure. She thanked us for the offer of assistance and said she understood that Customs had found temporary solutions for the storage challenges posed by the size and toxicity of the shipment.
